

STITCH KIT

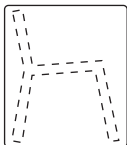

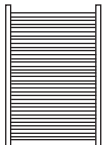

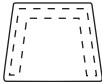

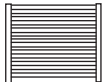

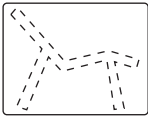

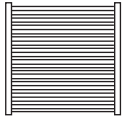

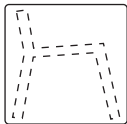

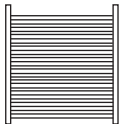

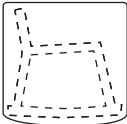

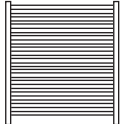

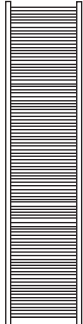

The *Stitch Kit* begins with the graphic representation of the objects, (like a chair or a lamp) and how this leads us to the functional object in three dimensions through the sewing techniques. With the premise “do-it-yourself” this project tries to “exercise” the user in this skill.

Design: NEL colectivo.

Year: 2005

Participants: Ricardo Casas, Héctor Esrawe, Cecilia León de la Barra, Óscar Núñez.

Material: Corian / Laquered MDF

		hanging lamp FC	16.5 x 18 x 22 cms
		chair SA	50 x 67 x 78 cms
		stool BP	50 x 40 x 40 cms
		chaise CL	60 x 80 x 61 cms
		chair SB	50 x 67 x 65.5 cms
		rocking chair M	60 x 68 x 69 cms
		lamp LP	35 x 30 180 cms
